The screenshot displays the eurécia HR portal. On the left is a dark blue navigation sidebar with icons and labels for: HOME, HR PORTAL, STAFF LEAVE & ABSENCES, EXPENSE REPORTS, TIME & ACTIVITIES, RESOURCE CALENDAR, INTERVIEWS, and WELL-BEING. The main content area is titled 'Help centre' and 'ENTER THE ERA OF DIGITAL HR'. At the top right, the user 'Hubert BUSSE' is logged in. A 'Well-being' poll is highlighted with a blue border, showing a question 'Hello Hubert, how are you today?' and three smiley options: a sad face (red), a neutral face (yellow), and a happy face (green). Below the poll are three main HR management sections: 'Staff leave & absences' with options for 'New request' and 'Staff leave calendar'; 'Expense reports' with 'New expense report' and 'My current expense report (0.0€)'; and 'Resource calendar' with 'My calendar', 'Team calendar', and 'List of activities'. A 'Time & activities' section at the bottom shows 'Current timesheet' and 'New overtime request'. On the right side, there is a user profile for Hubert BUSSE with links for 'Modify my password', 'Preferences', and 'My employee record', and an illustration of three people at a computer workstation.

Simplify and automate the management and tracking of administrative tasks: staff leave calendars, expense reports, time and activities, employee records (contracts, training, medicals, etc.), deduction of meal vouchers, and exporting of data to payroll and accounting.
